NEW MEMBER EXPLAINER DOCUMENT

How the 8×8 MLM Structure Works

1. WHAT IS 8×8?

The Infinity 8 plan is built on an **8-level deep network structure**, where:

- Every member can personally refer **up to 8 direct members**.
- You earn commissions from up to **8 levels deep** in your network.

It is called **8×8** because:

- 8 directs
 - 8 earning levels
-

2. HOW THE STRUCTURE EXPANDS

If you refer 8 people:

Level 1 → 8 people

If each of them refers 8:

Level 2 → 64 people

Level 3 → 512

Level 4 → 4,096

Level 5 → 32,768

Level 6 → 2,62,144

Level 7 → 20,97,152

Level 8 → 1,67,77,216

Important:

This is theoretical maximum structure.

Actual income depends only on active and qualified members.

3. HOW YOU EARN IN THE 8×8 SYSTEM

When someone joins or makes a qualified purchase in your network, commissions are distributed level-wise.

Commission Distribution:

Level	Commission %
Level 1	15%
Level 2	10%
Level 3	8%
Level 4	5%
Level 5	3%
Level 6	2%
Level 7	1%
Level 8	1%

Total maximum payout: 45%

Key Point:

The highest income comes from your first 3 levels (33% combined).

4. SIMPLE EXAMPLE

Let's say:

You refer 8 people.

Each join with ₹1,000 worth of qualifying product or participation.

Level 1 income:

$$15\% \times ₹1,000 \times 8 = ₹1,200$$

If your Level 1 each bring 8 members:

Level 2 income:

$$10\% \times ₹1,000 \times 64 = ₹6,400$$

This continues up to 8 levels deep.

But remember:

Income only happens when real activity occurs.

5. WHAT YOU MUST DO TO EARN

You must:

- Refer up to 8 strong, active members.
- Help them duplicate.
- Maintain your own active status.
- Ensure your team remains active.

Inactive structure = no commission.

6. WHAT IS SALARY IN 8×8?

In addition to commissions, there is a structured salary qualification.

Example from plan:

Level 1 Salary:

8 directs + 3 months active

Higher levels require full 8×8 duplication.

Salary is:

- Not automatic
- Not guaranteed
- Paid only if qualification rules are met
- Paid from a dedicated 15% pool

If activity stops → salary pauses.

7. HOW 8×8 IS DIFFERENT FROM UNLIMITED MLM

Some MLMs allow unlimited width and depth.

Infinity 8:

- Caps at 8 levels.
- Caps total payout at 45%.
- Uses structured rules for sustainability.

This prevents system overload.

8. WHAT YOU SHOULD NOT EXPECT

Do not expect:

- Guaranteed income
- Automatic passive earnings
- Instant Level 4 salary
- Income without building team

This is a business model.

It rewards builders.

9. WHAT MAKES YOU SUCCESSFUL IN 8×8

You need:

1. 8 serious builders (not spectators)
2. Daily presentations
3. Follow-ups
4. Duplication system
5. Activity retention

The plan rewards structure — not hype.

10. COMMON QUESTIONS

Q: Do I need to fill all 8 spots?

A: Yes, to maximize your earning potential.

Q: Can I earn without referring?

A: Only from spillover, but relying only on spillover is risky.

Q: Is income fixed?

A: No. Income depends on network activity and volume.

Q: What happens if my team becomes inactive?

A: Commissions and salary qualification may reduce or pause.

11. REALISTIC EXPECTATION SETTING

Month 1:
Focus on 8 directs.

Month 2:
Help them get 4–8 each.

Month 3–6:
Build duplication and retention.

Fast income comes from Level 1.
Long-term income comes from duplication.

12. FINAL SUMMARY

The 8×8 MLM model works like this:

- You refer 8.
- You earn from 8 levels deep.
- You receive highest commission in early levels.
- You must maintain activity.
- Income grows with duplication.

If you build structure → income grows.

If you stop building → income stops.

Infinity 8 rewards consistent builders.
